THE HONOURABLE SRI JUSTICE R. SUBHASH REDDY

WRIT PETITION No.13857 OF 2006:

ORDER:

This Writ Petition is filed seeking Writ of Mandamus questioning the conduct of Engineering And Medical Common Entrance Test-2006 on the ground that questions were framed in the subject of Zoology from the syllabus which was not notified to the petitioner and consequential action of the respondents in announcing rankings without considering the objections as illegal and arbitrary.

It is stated that the petitioner has passed Intermediate course in First Division and appeared for Engineering And Medical Common Entrance Test-2006 seeking admission to medical stream with Hall Ticket No.4604697. It is the grievance of the petitioner that, in the subject of Zoology, several questions were framed from outside the syllabus, correct multiple choice answers were not given to some questions, and, some questions were ambiguous.

But, however, in the affidavit filed in support of the Writ Petition, no particulars are given with regard to any questions, of which, it is alleged, they are outside syllabus. The allegations are too vague. It is well settled that in this kind of cases, unless it is proved demonstrably, this Court cannot interfere with the same. In absence of any particulars of the questions, which are alleged to be not correctly framed from the syllabus

notified, it is not possible for this Court to examine the grievance of the petitioner.

The Writ Petition is devoid of merits and the same is accordingly dismissed. No order as to costs.

JUSTICE R. SUBHASH REDDY
